Complex Tort Litigation

Tort litigation involves representing clients in civil lawsuits involving personal injury or property damage claims. At Ghiorso Law Firm, we help clients seek compensation for harm caused by the negligent or intentional actions of others, including cases for damages arising from environmental contamination, medical malpractice, product liability, premises liability, and negligence. This part of our practice involves investigating the facts and legal issues related to a case, developing legal strategies, negotiating with opposing parties, and advocating for clients in court or through alternative dispute resolution methods. We work to protect our clients' rights and interests, and to help them achieve an appropriate legal and financial outcome.

Types of Cases:

- Antitrust & Trade Regulation
- CERCLA Comprehensive Environmental Response, Compensation, and Liability Act
- Personal Injury and Insurance Recovery
